

Instructions for Using the Mini - Program of College Image Information Collection

新华社
XINHUA NEWS AGENCY

Students are requested to first go to the China Higher Education Student Information Website (Xuexin Network) to obtain the QR code of the "Image Collection Code" and save it in the photo album of their mobile phones. Then, open WeChat to scan the QR code of the mini-program below or search for the mini-program whose Chinese name is "高校图像信息采集" in WeChat.

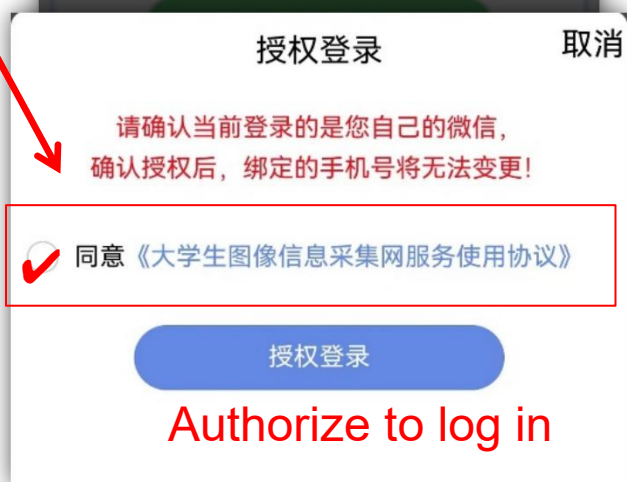

Upload the image collection code

Upload photos of freshmen

After opening the mini-program, for new users, only two functional modules, namely "Upload Image Collection Code" and "Upload Photos of Freshmen", will be displayed when they enter the mini-program.

Click to upload the image collection code, and then an authorization login page will pop up. After checking the box to agree to the "《大学生图像信息采集网服务使用协议》", click "Authorize to log in". After obtaining and verifying the mobile phone number, it will jump to the logged-in page.

添加采集信息
Add collection information

After a successful login, click the button "**Add collection information**" in the upper right corner to enter the page for adding academic record information.

Upload the image collection code

Click the "**Upload the image collection code**" button, and select the QR code of the collection code from the photo album for identification.

去采集

提示

您确定要去采集信息么?

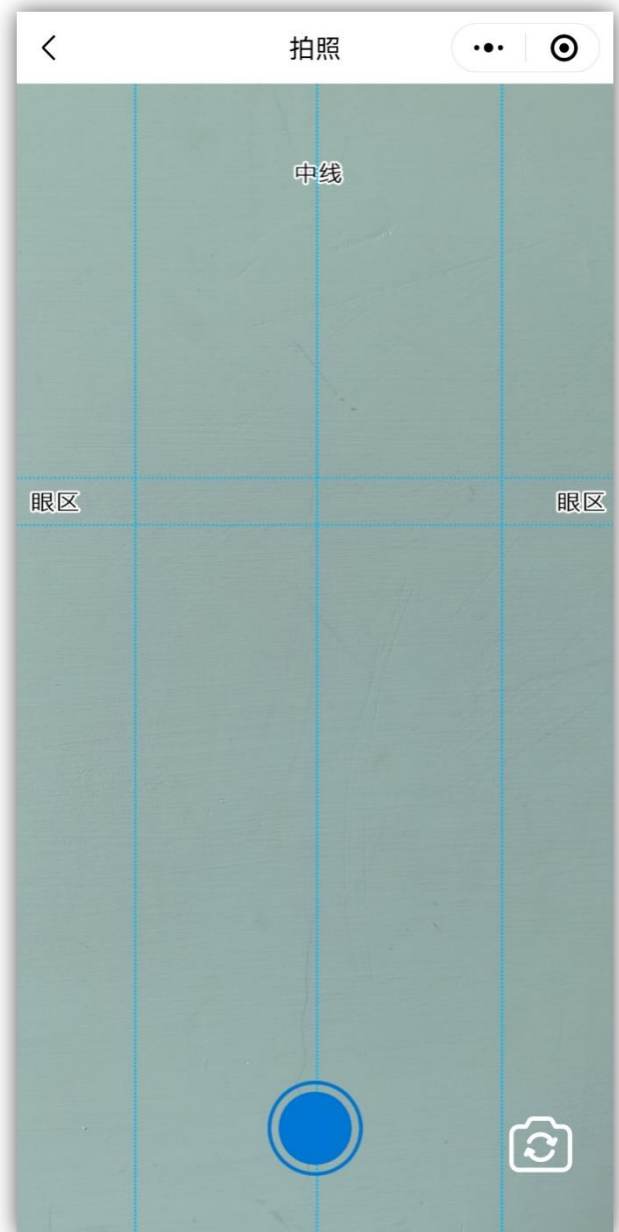

取消 确定

OK

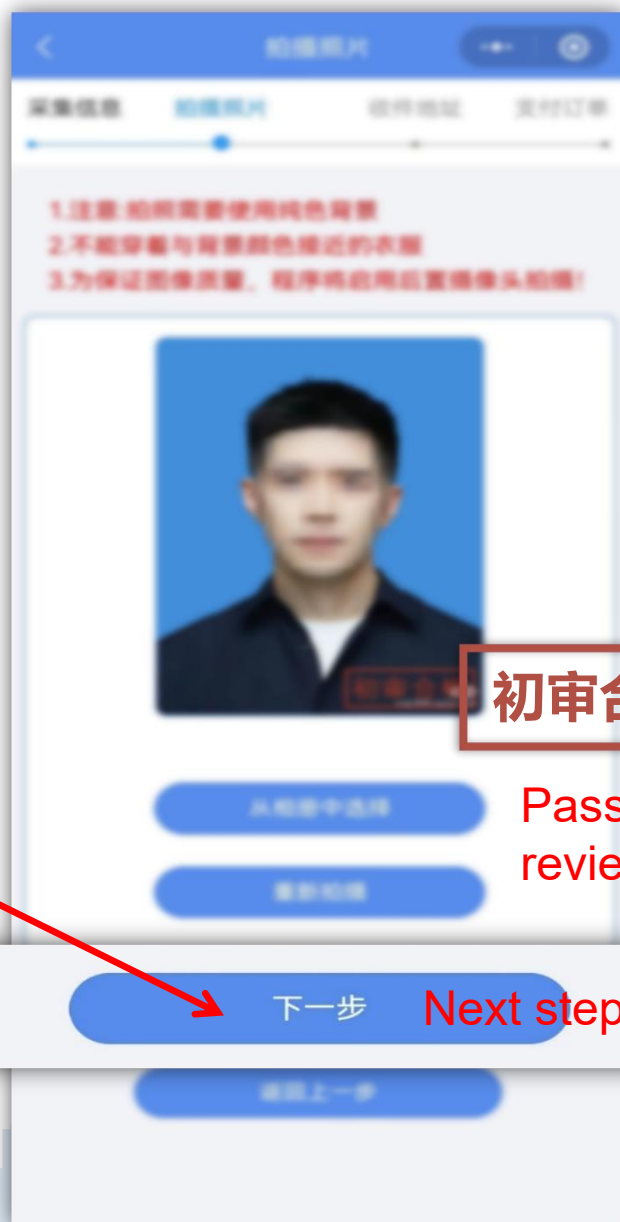

Enter the collection code information page. The system will automatically identify the basic information. Please fill in the "**Signature code**". The "**Signature code**" is a six-character code containing numbers and letters provided by the school. Click "**Go to collect**", and after confirming it again and clicking "OK", enter the photo-taking page.

Please click the "Take Photo" button, a prompt and guidance page will pop up. After reading it carefully, click the "I have read button."

Click to take a photo (You need to enable the camera usage permission. Please refer to the guide lines when taking the photo.)

初审合格

Pass the preliminary review

下一步

Next step

When it shows "Pass the preliminary review", it means the process is completed. Click "Next step", confirm the submission, and then enter the payment page.

8.订单状态-待审核
