

Are you looking for an awesome way to experience the European summer? The CuriousU experience (14 – 23 August 2016) is a one-of-a-kind combination of a European summer school and a festival: academic courses, music, sports, theatre, inspirational speakers, hosted by the University of Twente (the Netherlands).

Check out CuriousU www.utwente.nl/curiousu for the diverse range of [courses](#) in the hottest research topics for 2016, such as [serious gaming](#), [health](#), [smart cities](#), [entrepreneurship](#) and [physics](#).

Do you want to participate?

Our partner University of Twente offers us a discount model. You can use the all-time valid discount code [4KPMLNQV](#) in the registration process to get 20% of the basic price.
